12th edition **2023**

1 OR 2 WEEK PROGRAMS İN ENGLİSH OR FRENCH

24 June - 5 July

Application period: January - April

Our Summer Schools bring together innovative teaching and research excellence to allow participating students to experience the methods and practices of research in a variety of fields.

Each program includes lectures, workshops with small groups of students, scientific visits and an attractive social program.

The perfect setting to get to know one another!

A group of students will assist you and organize some great activities during your whole stay.

Fees include tuition, welcoming and teaching materials, accommodation, coffee breaks and weekday lunches, bike rental and bus pass, social program.

**A certificate of attendance with ECTS is delivered at the end of the courses.**

Each year:
around **100 participants, 30 nationalities**

ALUMNI TESTIMONIALS :

> **"A perfect place for a summer school."**

> **"Courses were very informative and exciting and it opened my mind to many things."**

ABOUT ANGERS:

> Ranked **first best place to live** in France

> **90 minutes** by train from Paris

> Relaxed **way of life** and excellent restaurants

> City full of **History**

> Surrounded by the world-famous **Anjou vineyards**

> France's leading city for the **Internet of Things** (IoT)

> Award of label **French Tech**

> **"Curiosity, open mind and predisposition to meet new people."**

> **"The Summer School was such a fantastic opportunity and had many different activities every day so it was never boring and there was always something new to learn. It was a great chance to get to know another culture, whilst making new friends and learning about their cultures as well."**
